1:15 p.m. U.S. Dairy: Working Together to Collectively Impact Sustainability

Jennifer Block, Senior Vice President of Dairy Community Relations at the Innovation Center for U.S. Dairy

The Innovation Center for U.S. Dairy was created through the dairy farmer checkoff to address growing global sustainability issues and opportunities. The Innovation Center is aligned behind a framework of shared priorities, goals, work, and metrics that inspires new belief in dairy and positions U.S. dairy as a relevant and credible solution for a more sustainable future. Learn how the industry is working to build trust and increase dairy customer confidence through this industry-wide sustainability platform.

2:15 p.m. Dairy Break

2:45 p.m. Legislative Update: Your Cooperative Voice Advocating for Agriculture

Jennifer Wickman, Wisconsin Government Affairs Director for Cooperative Network

As the trusted voice for cooperatives and their members, Cooperative Network advocates in the state capitols of Wisconsin and Minnesota and has a long and successful history of lobbying on local and statewide agriculture issues. With State Budgets being the focus in 2023, farmers will want to attend this session for a glimpse of the lobbying priorities of Cooperative Network on the issues that will affect dairy farmers and their businesses.
